# Eagle Basketball Players Enjoy Quality

***Thompson Hall is one of the best-on campus housing arrangements in the country. I have coached at LSU, Idaho and Middle Tennessee, and this is by far the best housing situation that I have had for our players. With the buffets available in the Adron Doran University Center and Alumni Tower and the number of other dining opportunities at MSU, our players have excellent quality, quantity and variety in their food choices.***

**Donnie Tyndall**

*Thompson Hall is conveniently located on University Boulevard on MSU's main campus. Though located in MSU's Historic District, it was recently completely remodeled and has spacious rooms located within steps of lounge and kitchenette areas, along with a basement recreation and living room area.*

# Living Accomodations and Dining Facilities

*Thompson Hall sits adjacent to most classroom buildings and is just a short walk from the Adron Doran University Center where the University Bookstore and several dining facilities are located. The Alumni Tower grill and cafeteria are also located near Thompson Hall. Dining opportunities for Eagle basketball players range from buffets to some of the best-liked and well-known national and regional establishments.*

## Eagle Schedules Feature Nation's Best

*Recent Eagle schedules have featured Kentucky and Connecticut, both ranked number one at the time. Other Top Ten opponents have included Ohio State, Louisville, Cincinnati, Alabama and Georgia Tech. Indiana, Notre Dame, Vanderbilt, Dayton, Texas Tech, Minnesota, Florida and Tennessee were ranked in the Top 25 on the MSU schedule. Look for future games against similar opponents while the Eagle coaching staff ponders trips to Alaska, Hawaii and to Europe and Asia.*

***I have been told that we are playing the toughest schedule that Morehead State has played in 15 years. I believe it is important to play a tough non-conference schedule every year to prepare our team for the very tough Ohio Valley Conference. Our team will definitely be tested before league play each and every year.***

**Donnie Tyndall**

## EAGLE BASKETBALL

# Get Bigger, Get Stronger

*Strength Coach Kevin Deweese is a young and energetic coach who pushes our players hard every day. We also have excellent facilities to work out in. The Phil Simms Weight Training Facility is one of the nicest that I have seen. It is spacious and has all of the finest equipment. We also have the Eagle Weight Room that is located inside the Academic-Athletic Center. Coach Deweese is able to utilize both of these facilities to help with our strength and conditioning program and push our players to reach their full potential.*

**Donnie Tyndall**

*Eagle basketball players utilize the strength and conditioning facilities at Jayne Stadium, which include the track and the Phil Simms Weight Training Facility, and the Eagle Weight Room just off the Johnson Arena playing floor.*

## Community Service

*In the first year of the Donnie Tyndall era of Morehead State basketball, Eagle players have been in the local school system, reading to students and talking about the value of education.*

*Our team will be active on campus and in the Morehead community. We will be there to help with charity events, motivate elementary, middle school and high school students and serve wherever we are needed.*

**Donnie Tyndall**

## EAGLE BASKETBALL

# Stay Healthy, Earn Your Degree

*MSU Sports Medicine staff includes Director Richard Fletcher, his assistants and a host of team physicians in different speciality areas. Assistant Athletic Trainer Jamey Carver, above with Eagle freshmen Cecil Brown and Dan Penick, works primarily with men's basketball. Below, Ryan Allen and Nikola Stojakovic stay on top of their academic standing by utilizing the Eagle Academic Success Center located just off the Johnson Arena playing floor.*

## EAGLE BASKETBALL

### A History and Heritage of Successful Individuals and Teams

Morehead State University basketball has had its share of All-Americans, players who have advanced to the professional ranks and others who have gone on to successes in areas off the court. Dan Swartz and Steve Hamilton were All-Americans in the 1950's and both played in the NBA. Hamilton, in fact, is one of only two individuals to play in both an NBA Championship Series and a World Series. In the 1960's, "Leapin" Lamar Green was an MSU standout who went on to a successful career in the NBA. Bob McCann (pictured top right), an Ohio Valley Conference Player of the Year in the 1980's, played for several NBA and European professional teams. In the 1990's, Eagle Brett Roberts (pictured bottom left with then MSU Athletic Director Hamilton being honored for scoring his 1,000th point) was drafted in both the NBA and Major League Baseball drafts. He chose to pitch in the Minnesota Twins organization. The 2003-03 OVC Player of the Year, Ricky Minard (pictured bottom right), was a second round draft choice of the Sacramento Kings and is now playing professionally in Italy. Rocky Adkins was a member of MSU's 1982-83 NCAA tournament team. He is now Majority Floor Leader of the Kentucky House of Representatives.

*Morehead State has a rich tradition in basketball. The University has a history of good teams and great players. In recent years, Eagles Bob McCann, Ricky Minard and Brett Roberts have been NBA draft picks. We hope to build on that great tradition and take it to the next level. Our goal is to put a team on the floor that will compete to go to the NCAA Tournament every year.*

## COACHES

# DONNIE TYNDALL

Donnie Tyndall was named men's head basketball coach at Morehead State University on April 10, 2006. Most recently the associate head coach at Middle Tennessee State University for four years, Tyndall is an MSU alumnus who lettered as a member of the Eagle basketball team. He is the 12<sup>th</sup> head coach in the history of the program.

An NCAA Division I assistant coach for nearly 10 years, the 36-year old Tyndall spent one season as associate head coach at the University of Idaho. Prior to that, he was an assistant coach for four seasons at Louisiana State University. In 1996-97, Tyndall served as head coach at St. Catharine College in Springfield, Ky., for a season. After graduation from MSU, he spent two seasons as an assistant coach at Iowa Central Community College in Fort Dodge, Iowa.

"In conducting a national search and speaking with literally hundreds of people, it became apparent that someone with a commitment to recruiting high level student-athletes, a passion for the game and certainly a fondness for Morehead State would emerge as our new head men's basketball coach," said MSU Athletic Director Brian Hutchinson. "Donnie Tyndall has all the requisite experience, having been a Division I assistant for nearly 10 years. He is absolutely the right person to lead this program into prominence regionally and nationally."

At MTSU, Tyndall teamed with Head Coach Kermit Davis to lead the Blue Raiders to four consecutive winning seasons, averaging 17 wins a campaign. As recruiting coordinator, he directed MTSU recruiting efforts that have resulted in two classes being ranked in the Top 25 nationally. "Hoop Scoop" ranked the 2003 class 23<sup>rd</sup>, and the 2004 class was ranked 11<sup>th</sup> nationally. Each class was selected as the number one class in the Sun Belt Conference by that basketball publication.

# HEAD COACH

While many of his responsibilities centered around recruiting, Tyndall also played instrumental roles in practice and game preparation, coordinating scouting reports and practice organization and in academic monitoring.

While he was at Idaho, the Vandals 2002 recruiting class was ranked as high as 15<sup>th</sup> nationally. Tyndall also served as scouting coordinator. As the individual in charge of academic progress, he helped the team earn a cumulative grade point average of 2.6 (on a 4.0 scale), the best at the school in more than a decade.

During his tenure on John Brady's staff at LSU, Tyndall helped recruit three classes that were ranked among the Top 25 nationally. In 2000, LSU won the SEC and advanced to the Sweet 16. Three of the recruited student-athletes went on to play in the NBA, five earned All-Southeast Conference honors and five were named Academic All-SEC. As the Tigers' academic coordinator, he helped improve the basketball team's grade point average from 1.7 in 1996 to 2.65 in 2001.

During his one season as head coach at St. Catharine, he led the team to a school record 30-5 mark and to the National Junior College Athletic Association National Tournament for the first time in school history. Tyndall was named the Kentucky-Tennessee Junior College Coach of the Year and was also named the top coach in Region VII. Illustrating his emphasis on academic achievement, the team's grade point average improved from 1.81 to 2.64, and all six of the sophomores on the squad earned associate degrees.

As an assistant coach at Iowa Central, he had on-floor coaching and recruiting duties and organized and supervised the team's strength and conditioning program.

A native of Grand Rapids, Mich., Tyndall played at Northview High School, then one season at Iowa Central (1989-90). He was a member of Eagle teams for three seasons (1990-93). Tyndall played with Athletes in Action after completing his career at MSU.

He earned a bachelor's degree from MSU (1993) and a master's degree from LSU.

Tyndall's wife, Christi, is also a Morehead State graduate. They have two daughters, Taylor Elise and Grace Elizabeth.

## COACHES

# BARRY WORTMAN

### ASSISTANT COACH

Barry Wortman, an individual with experience as a successful high school coach and as a NCAA Division I assistant, is in his first season as an assistant coach at Morehead State.

Wortman spent the last eight seasons as the head coach at LaVergne High School, LaVergne, Tenn. There, he built a program that went from winning only three games to becoming a consistent 20-game winner. His teams won two district

tournament championships in a tough Class AAA district, and he was named district and area coach of the year in 2003-04.

"In my opinion, Barry was one of the best high school coaches in the state of Tennessee," Head Coach Donnie Tyndall said. "His teams were always well-prepared and played with a tremendous amount of energy and toughness which resulted in great records year in and year out."

Prior to his tenure at LaVergne, Wortman served as head coach at three other Tennessee high schools, Lincoln County, Hickman County and Shelbyville Central. At Hickman County, he won a Class AA state championship and was a two-time state coach of the year.

"I'm thrilled to be a part of the basketball staff at Morehead State University," Wortman said. "The opportunity to work for Coach Tyndall, who I respect both personally and professionally, means a great deal to me and my family."

He also spent time as an assistant coach at Ohio Valley Conference member Tennessee State.

Wortman and his wife, Kristie, have a son, Austin, and a daughter, Bliss.

He earned a bachelor's degree from Middle Tennessee in 1989 and a master's degree from Tennessee State.

***When looking for a top assistant coach, you have to start with someone who is loyal and hard-working. With Barry Wortman, I have a guy who is very, very loyal and has a work ethic that is unmatched. Barry has a great basketball mind and works extremely hard in recruiting. He has a passion for working with young people, and I am very fortunate to have him on my staff.***

**Donnie Tyndall**

## COACHES

# CHRIS MOORE

### ASSISTANT COACH

Chris Moore, a veteran of the college and high school coaching ranks, is in his first season as an assistant basketball coach at Morehead State University.

Moore spent last season on the staff of Jeffersonville (Ind.) High School. Jeffersonville finished the 2005-06 season with a 23-2 record, won the district championship, reached the regional finals and was ranked fourth in the state.

Prior to last season, he spent two seasons as an assistant coach at Bellarmine University in Louisville. There, he assisted with all facets of the program, including serving as head coach for the junior varsity squad.

Before Bellarmine, he served one season on Walt Corbean's staff at Indiana University Southeast where once again, he assisted in all areas. He helped guide IUS to a 21-13 record.

In 2000-01 and 2001-02, he was an assistant coach with the University of Cincinnati's women's basketball program. Cincinnati was 49-15 in those two seasons and advanced to post-season play on both occasions. During his final year at UC, the Bearcats finished 27-5 and won the Conference USA title. They finished the season ranked in the Top 25, a first for that program.

A Louisville native, Moore began his coaching career at Fern Creek and DuPont Manual high schools in the city. During six seasons in the Louisville high school ranks, he helped lead teams to two district championships and two regional championship game appearances.

Moore was a four-year letterman at Kentucky State University. He earned Academic All-America honors in 1990-91 and served as team captain as a senior.

He holds a bachelor's degree in criminal justice from KSU (1991) and a master's degree in sports administration from Louisville (2000).

Moore has a son, Trah.

***Chris is a Kentucky native who is very well-respected in the state. He has great recruiting contacts, not only in Kentucky, but in Indiana and Georgia as well. I believe that Chris understands the work load required to be a successful assistant coach at this level, and his persistence and work ethic will allow him to have a major impact on our program.***

**Donnie Tyndall**

## COACHES

# LEE MOON, JR.

## ASSISTANT COACH

Lee Moon, Jr., is in his first season as a men's assistant basketball coach on the staff of Head Coach Donnie Tyndall at Morehead State University.

Moon joined the MSU staff after serving as the video coordinator for the Fresno State University men's basketball program last season. He also assisted with strength and conditioning, team travel, scouting, game preparation and other administrative duties for the Bulldogs.

"We are very pleased to add Lee to our staff," Tyndall said. "He is an energetic, hard-working guy who was a 'gym rat' as a player and has a great deal of passion for the game. His Division I experience will be invaluable in building our basketball program."

Prior to joining the staff at Fresno State, Moon was a graduate assistant for Coach Billy Donovan at the University of Florida. Among his duties for the Gators included assisting with film exchange and film breakdown, recruiting mailings, Donovan's coaches' clinics and camps, team travel and individual instruction.

"I'm excited about the opportunity to work for Coach Tyndall, who I think is one of the talented young coaches in college basketball," Moon said. "Coach Tyndall's passion and energy for Morehead State University and the game of basketball is something that I wanted to be a part of on a daily basis. My wife and I are excited about being a part of the great group of people that make up the Morehead community."

Moon is a 2002 graduate of the University of North Carolina at Wilmington and was a member of the basketball team for one season. He was a two-year letterwinner at Texas Christian University before transferring to UNC Wilmington. He earned a master's degree at Florida in 2005.

Moon has been around college athletics most of his life. His father, Lee, Sr., has served as athletic director at Marshall and Wyoming and was also a college football coach.

He and his wife, the former Annette Lorentzson of Daytona Beach, Fla., were married in May.

*Lee is an energetic, driven, young coach with a very bright future. He has worked for two of the best coaches in college basketball, Billy Donovan and Steve Cleveland. Lee has been great with our players and will be a very good recruiter for us as well.*

# THE CONFERENCE

Entering its 59th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference. In 2003, the OVC extended its geographical footprint into Alabama for the first time, expanding the league's membership to a record 11 institutions with the addition of Jacksonville State University and Samford University.

The OVC's proud past dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles (Turkey) Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged Feb. 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950's, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958, Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961, Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

The first Division I-AA football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC.

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

In the late 1970's, women's athletics began somewhat of a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women, but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982.

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 15 regular-season titles and owns nine OVC Tournament titles. In fact, the Golden Eaglettes have reached the championship game of the OVC Tournament 19 times in the past 25 years. Although Tennessee Tech remains the standard-bearer, four other teams have won 10 of the last 13 OVC Tournaments. Southeast Missouri became the latest program to add its name to the list, capturing its first OVC Tournament title in 2005. Austin Peay leads the quartet with five crowns, including four straight from 2000-03, while Tennessee State (1994-95) and Eastern Kentucky each have two tourney titles (1997, 2004) during that span.

Several coaches have made their mark in the relatively short history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. At the end of the 2005-06 season, Tennessee Tech coach Bill Worrell announced his retirement after a stellar 20-year career in which he compiled a 408-190 record while leading the Golden Eaglettes to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Current Eastern Kentucky coach Larry Joe Inman has won more than 100 games at both Middle Tennessee and ECU, and has earned OVC Coach of the Year honors a record eight times - five times at ECU and three at MTSU.

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilyn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng and Janet Holt from Tennessee Tech; Morehead State's Donna Murphy and Priscilla Blackford, Eastern Kentucky's Kim Mays and Southeast Missouri's Gray C. Harris.

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 16 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

Over its 58 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Trenton Hassell (Austin Peay), football players Eugene Amano (Southeast Missouri) and Brent Alexander (Tennessee State), baseball player Jamie Walker (Austin Peay) and professional golfer Jeff Sluman (Tennessee Tech).

The playing field isn't the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. # MOREHEAD STATE UNIVERSITY

Meeting the educational needs of East Kentucky while striving to constantly improve the quality of its public service, economic development and applied research programs are the primary objectives of Morehead State University.

Historically, the University traces its lineage to the Morehead Normal School, which opened its doors in 1887. The private school closed in the spring of 1922 when the Kentucky General Assembly established Morehead State Normal School. The state institution accepted its first students in the fall of 1923 and graduated its first class in 1927. Name changes occurred in 1926 when "and Teachers College" was added, again in 1930 when it was shortened to Morehead State Teachers College, again in 1948 when "Teachers" was dropped and, finally, to university status in 1966. Thirteen men, starting with Frank C. Button, have served as president. Dr. Wayne D. Andrews assumed office as the 13th president on Jan. 1, 2005.

**Lappin Hall**

Academically, the University offers 78 undergraduate degree programs, including 8 associate level degrees and 12 pre-professional programs in four colleges, Business, Education, Caudill College of Humanities and Science and Technology, and the Institute for Regional Analysis and Public Policy and 20 academic departments. There are 18 graduate degree programs plus 24 graduate level non-degree programs designed especially for professional educators. The education specialist in five specialty areas also is offered. A master's degree for physician assistants, social workers and a cooperative doctoral program, all with the University of Kentucky, are available on the MSU campus.

Classes are conducted in Ashland, Jackson, Maysville, Mt. Sterling, Pikeville, Prestonsburg, West Liberty and other locations. Regional campuses located in Ashland, Jackson, Mt. Sterling, Prestonsburg and West Liberty are staffed with full-time directors. Additionally, the University offers a number of distance learning courses throughout the region via the Internet and interactive compressed video. Sixty-five percent of MSU's 341 full-time faculty members hold doctoral degrees.

**Camden-Carroll Library**

Physically, the University is located in the foothills of the Daniel Boone National Forest in Rowan County. The nearly 500-acre main campus within the city limits of Morehead includes more than 50 major structures with a total replacement value of more than \$144 million. Beyond the city, the University's real estate holdings include the 320-acre Derrickson Agricultural complex and a nine-hole public golf course. The instructional plant includes 120 classrooms and 112 laboratories. Housing facilities include space for approximately 2,900 students in a variety of housing styles including traditional residence halls, suites and apartments.

Fiscally, the University currently operates on an annual budget of \$103.7 million with about \$44.8 million provided by the state and \$40.2 million coming from tuition and fees. Additionally, grants and contracts from external sources for research, service and academic/student support projects generate more than \$15 million each year. Annual private donations to the University, through the MSU Foundation, Inc., have exceeded \$3 million the past two years.

**Button  
Auditorium**

**Adron Doran University Center**

Statistically, the University has awarded more than 50,000 degrees and currently has more than 1,100 full-time employees. Enrollment for fall 2005 was 9,062, with the student body representing 107 Kentucky counties, 39 states and 27 foreign countries. The University attracts more than 50,000 visitors annually and its economic impact, directly and indirectly, on the Morehead area is estimated at more than \$80 million yearly.

Administratively, an 11-member Board of Regents governs the University with eight citizens appointed by the governor and three seats held by elected faculty, staff and student representatives. Management of the institution is vested primarily in six divisions: Academic Affairs, Administration and Fiscal Services, Development, Planning, Budgets and Technology, Student Life, and University Relations with each headed by a vice president.

Athletically, the University sponsors 18 intercollegiate sports for men and women in accordance with the regulations of the Ohio Valley Conference, the Pioneer Football League and Division I of the National Collegiate Athletic Association. MSU also supports an intramural program involving more than 25 team and individual sports.

# Strength and Conditioning

The strength and conditioning program at Morehead State provides student-athletes with the best possible physical and mental training to help them perform at their peak potential. Under the direction of second-year coach Kevin Deweese, the individual sport programs focus on physical and mental training and nutrition for that particular sport as well as particular athletes. Deweese and his staff develop programs that will help athletes reach their maximum potential and prevent injuries.

Athletes have several options for weight training with the centerpiece of the program being the Phil Simms Weight Training Center. Funded by former Morehead State and NFL star quarterback Phil Simms, the center houses weight machines and free weights and is located adjacent to Jayne Stadium. The center has ample space for several teams to train at the same time.

Athletes also utilize the weight center in the Academic-Athletic Center. Free weights, as well as state-of-art machines, are located in the facility.

Stressing the whole body, the strength and conditioning program at Morehead State also helps athletes reach their potential in the fields of agility and speed. Deweese and his staff make sure athletes are ready for game action with speed drills and agility training tailored to each sport. The staff also oversees off-season workouts to make sure Eagle athletes are in-shape when the season begins.

## Compliance Letter

---

Dear Friends:

Morehead State University is committed to upholding the highest integrity within all procedures and practices of the athletic department. We are pleased to publish this note as a reference to understanding often confusing NCAA regulations.

The NCAA defines "representatives of athletic interests" as alumni, friends and boosters of the University. All member institutions are held accountable for their representatives' actions. One violation could jeopardize the eligibility of any or all Eagle Athletic programs.

As a general rule, anyone who has financially supported Eagle Athletics, been a member of any booster organization, or who has supported Eagle Athletics is considered a "representative" of Eagle Athletics.

Prospective student-athletes can be defined as a student who has started classes in the ninth grade or any younger student-athlete who has received a benefit from the institution. These individuals may only be recruited by MSU coaches who have passed the NCAA Recruiting Rules Examination. While "representatives" of Eagle Athletics may speak to any of these individuals via telephone or in person, a recruiting effort must not be made. Also, no student-athlete or prospective student-athlete may receive any extra benefit outside of the support provided by the institution. For any questions regarding this description, please contact Jim Wells, Compliance and Eligibility Coordinator, 606-783-5136.

These are certainly not all the regulations any "representative" of Eagle Athletics must remember. However, they provide a good outline of the types of things that could endanger the eligibility of any MSU Athletics program. Again, feel free to contact us if you have any questions. Thanks again for your support of Morehead State Athletics.

Sincerely,

Jim Wells

Compliance and Eligibility Coordinator

# Morehead and the Gateway Region

**M**orehead, Kentucky, is a community of nearly 10,000, nestled in the foothills of the Appalachian Mountains in the Daniel Boone National Forest. It serves as the educational, medical, recreational and cultural center of rural northeast Kentucky and is located in the state's Gateway Area. Morehead also is known as the "Hardwood Capital of the World." Situated on the state's major east-west highway, Interstate 64, Morehead is 58 miles west of Ashland, Ky., and the border of West Virginia, and 66 miles east of Kentucky's second-most populated city, Lexington.

Its centralized location allows many parts of the Eastern and Midwestern United States to be readily accessible. Among the major cities within a day's drive are Washington, D.C.; Baltimore; Charlotte; Raleigh, N.C.; Atlanta; Knoxville, Tenn.; Nashville; Cincinnati; Dayton, Ohio; Columbus, Ohio; Cleveland; Pittsburgh; Indianapolis; Detroit; Chicago; St. Louis; Memphis; Birmingham, Ala.; and Louisville, Ky.

Located in the heart of Rowan County, Morehead affords a wealth of activities for the outdoorsman. Just six miles from downtown is beautiful 8,270-acre, man-made Cave Run Lake, an area nationally-known for its recreation opportunities and the fifth-largest body of water in Kentucky. Hiking, biking, swimming, boating, fishing, water skiing, canoeing, bird watching, camping or enjoying the solitude of nature are some of the highlights of the activities at Cave Run Lake. The lake is known as the "Muskie Fishing Capital of the South" and hosts numerous tournaments there each year. Daniel Boone National Forest, within which Cave Run Lake is entirely located, is visited by over five million people annually, and Morehead also is home to the Minor E. Clark Fish Hatchery, the largest fresh water fish hatchery in the U.S.

Carter Caves, just 25 miles from Morehead in nearby Carter County, is another popular outdoor spot just a short drive down I-64. The historic town of Maysville, Ky., a major stopover point on the Civil War-era Underground Railroad, is located 45 minutes north on the Ohio River, and offers more entertainment options.

Golf is another popular outdoor activity in Morehead. Three courses are within county limits. Eagle Trace Golf Course is an 18-hole, par-

72 course, which has hosted both the state's men's and women's amateur championship and has been given four stars by Golf Digest. Two other nine-hole courses, Sheltolee Trail Golf Course and Morehead State University's Sunnybrook Golf Course are open to the public and offer inexpensive opportunities which can challenge players of all skill levels.

What about arts and crafts? Morehead is also home to the Kentucky Folk Art Center, the only center of its kind in the state dedicated to the skills of untrained artisans. Also unique to Morehead is the Kentucky Center For Traditional Music, a facility dedicated to preserving the rich history of traditional bluegrass, folk and Americana music. For fine art, stop by the Pine Grove Gallery or the Claypool-Young Art Gallery, located on MSU's campus. Several local craft and antique shops are dotted throughout the community as well.
